

SNOWDENS

Warwick Castle, press launch

Event details

The press launch of stage production 'Spamalot' at Warwick Castle.

Brief

To create a hospitality facility for a themed event for the press launch.

Specification

An aluminium frame structure 15m x 45m was built in the courtyard of the Castle with an entrance lobby 5m x 5m. This was fitted with interior drapes to the ceiling and walls and a wooden floor throughout with carpet laid over. Other items supplied by Snowdens were furniture, lighting and heating.
